4:30 pm High School Volleyball vs Bethesda
5:00 pm High School Volleyball, Girls' A/B vs Morton Memorial
6:00 pm High School Swimming at Mt. Vernon

Recycling Meeting

Did you know that 2,000 pounds of recycled paper saves **17 trees**? Learn more about recycling by attending a presentation on Friday, September 2 by Laura Dellinger Program Manager for the State Government Recycling Program, will be at ISD to explain the State's recycling programs. The ISD students, who developed the Recycling Program for the Indiana Deaf School, will also be explaining the program to students and staff as well present a two-act play that they created regarding recycling. Students and staff from the 0-5 and K-5 Program will attend the presentation at 9:00 a.m. in K-5 Gym. The Middle School students and staff will attend the program at 10:15 a.m. in the Auditorium. The program will be offered to the High School Department at 11:00 a.m. in the Auditorium. Other departments may attend the presentation that best matches their schedules. Please attend so you can learn how to protect our environment.

Thought for the Week:

Attitude

"The longer I live, the more I realize the impact of **attitude** on life. **Attitude**, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home. The remarkable thing is we have a choice every day regarding the **attitude** we will embrace for that day. We cannot change our past... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one thing we have, and that is our **attitude**... I am convinced that like is 10% what happens to me and 90% how I react to it. And so it is with you... we are in charge of our **Attitudes**."

by Charles Swindoll

*The ISD Campus Bulletin
is published weekly
during the school year*

ISD Advisory Board Update

Michael Livovich, Special Education Director for West Lake County Special Education, has been appointed by Governor Bayh as a new member of the ISD Advisory Board. Mr. Livovich has been appointed to replace Don O'Keefe whose term expired. Congratulations to Mr. Livovich as a member of the ISD Advisory Board!

The ISD Community would like to extend a "fond farewell" to Mr. O'Keefe who has served on the Advisory Board and been the Chair for several years. ISD wishes Mr. O'Keefe the best and warmly welcomes him to return to ISD at anytime. Thank you Don for all your years of service and please come to visit!!

August 22, 1994

Dear Families, Friends & Colleagues:

Needless to say, I am pleased that I am "still the Superintendent" at the Indiana Deaf School. This past June has marked my two years at ISD and has ended the school's two-year long celebration of various activities celebrating ISD's 150 years of service.

As Superintendent and friend, I know that ISD's commitment to Bilingual/Bicultural education for Deaf children continues to be an inspiration to others. You and I know that education of our children is important to all of us. There are and will be initiatives here at ISD which can serve as models for new initiatives by others.

Such initiatives have stimulated an interest among us to strive for excellence and renewed respect for human rights.

I look forward to working with you this year. As always, your comments and suggestions to help ISD will be appreciated.

Cordially,

Eddy F. Laird
Superintendent

Lessons from Geese by Milton Olson

As each bird flaps its wings it creates an "uplift for the bird. By flying in a "V" formation, the whole flock adds 71% greater flying range than if the bird flew alone. Lesson: People who share a common direction and sense of community can get where they are going quicker and easier because they are traveling on the thrust of one another.

Whenever a goose falls out of formation, it suddenly feels the draft and resistance of trying to fly alone and quickly gets back into formation to take advantage of the "lifting power" of the bird immediately in front. Lesson: If we have as much sense as a goose, we will stay in formation with those who are headed where we want to go and be willing to accept their help as well as give ours to others.

When the lead goose gets tired, it rotates back into the formation and another goose flies at the point position. Lesson: It pays to take turns doing the hard tasks and sharing leadership. With people, as with geese, we are interdependent on each other.

The geese in formation honk from behind to encourage those up front to keep up their speed. Lesson: We need to make sure our honking from behind is encouraging--and not something else.

When a goose gets sick, wounded or shot down, two geese drop out of formation and follow it down to help and protect it. They stay with it until it is able to fly again or dies. Then they launch out on their own, with another formation, or catch up with the flock. Lesson: If we have as much sense as geese, we, too, will stand by each other in difficult times as well as when we are strong.

Job Opportunities

Posted: August 26, 1994

Deadline: September 2, 1994

Title: Clerk Typist V
Department: Vocational
Shift: Days
